Dental Care for Diabetics

Dr. Sibner is the leading authority in Bucks County on oral health management for diabetics. He is a consultant for St. Mary Medical Center's Diabetes Unit and contributes to "Diabetes and You," a course for newly diagnosed diabetes patients offered through St. Mary's. As a part of his community outreach program, Dr. Sibner speaks frequently about gum disease, Diabetes and other systemic diseases.

- The Connection Between Periodontal Disease and Diabetes
- Periodontal Management of the Diabetic Patient
- Periodontal Disease and Diabetes Research
